Good Morning Susan,

I reviewed the file and all the paperwork refers to (b) (6), there is nothing that specifies Sr., Jr. or the III, EXCEPT for one Accurint Report that Melissa ran in 2010 for Liens on (b) (6).

I ran another report through Accurint last week and there is a (b) (6). DOB Redacted SS# ending in Redacted.
(b) (6) DOB is Redacted SS# ending in Redacted.

Hi Susan,

I see it was reported with the following DOB of [Redacted] and SSN ending in [Redacted]. Not sure if the is the son or dad's info. If that info we show does not belong to the son, he needs to dispute directly with the credit reports and they will remove it. There is nothing we could report since we do not have the sons' info and reported.

Thank you

Good Morning,

(b) (6) is trying to clear his credit report for what he states is (b) (6) debt. Tammy is researching this since it is so old. Marion please verify if you can tell who this is for.

I only received an email from (b) (6) so I have no address to compare.

Thanks so much for your help,

Susan J. Olson

Good morning, Sue,

I do not know if this is real or not, but would you check NaturE BPs and see if we have any accounts for a (b) (6) ?

If we do, we'll look into it further. If there was anything impacting this gentleman's credit report, it would be something that was sent to collections.

Thank you,
Leah
